

Pinwheel Crazies 2010

Section 2

Main Block

Background (BG)

6- $3 \frac{7}{8}$ " Squares cut in half once diagonally
1- $4 \frac{1}{4}$ " Squares cut in half twice diagonally

Green

4- $3 \frac{7}{8}$ " Squares cut in half once diagonally

Red

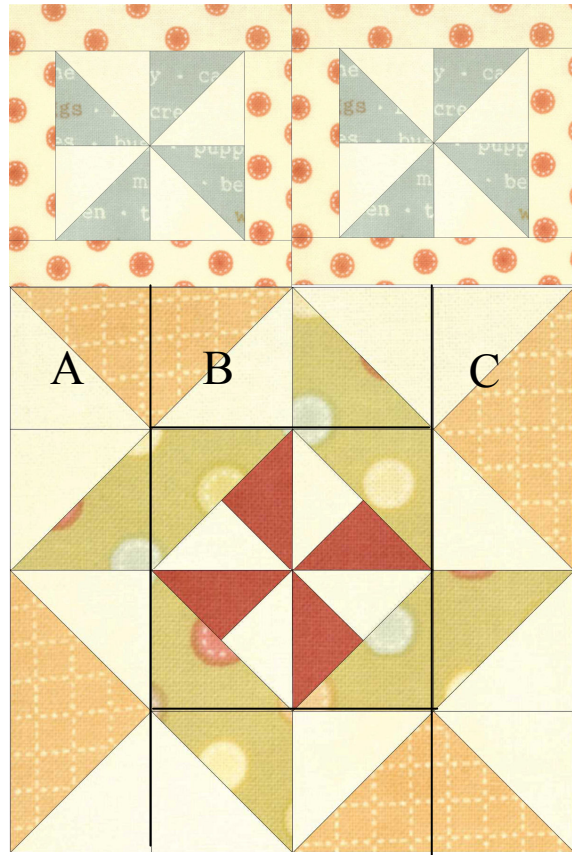

1- $4 \frac{1}{4}$ " Squares cut in half twice diagonally

Yellow

4- $3 \frac{7}{8}$ " Squares cut in half once diagonally

Filler Pinwheels

(Same as Section 1)

Make the small Red pin wheel first by making 4 half square triangles with the $4 \frac{1}{4}$ " red and background. Piece them together to make a pin wheel.

Next add a green triangle to each side to set the pin wheel on point.

Using the rest of the green and yellow make half square triangles with the background. You should have 4 green and cream. And 8 yellow and cream.

Using the Half square triangles make units A, B, and C. Sew them together as shown.

Make two filler pin wheels like in section. 1.
